Condolences

**We condemn the terrorist attack in Russia**

As the Working Group of Turkic Minorities/Communities (TAG) in the Federal Union of European Nationalities (FUEN), we strongly condemn the heinous terrorist attack carried out by armed men on the evening of 22 March at the Crocus City Hall concert hall in Moscow, the capital of the Russian Federation.

As the FUEN TAG family, we express our condolences to Russia and share the pain of the Russian people in face of this heinous attack targeting civilians, in which many people lost their lives.
